CARDINALS WELL ON WAY
TO CHAMPIONSHIP
OF N. I. A. A.

Vol. XIII

OMAHA, NEBRASKA, FRIDAY, FEBRUARY 16, 1934

No. 15

Omaha Leads N.I.A.A., 2 Games to Go

A Victory at Peru Tuesday Night Would Cinch Title; Kearney and Wayne Wins Gave Omaha Safe Lead.

CURTIS HIGH MAN

Undefeated in the N. I. A. A. conference with only two games to go, the University of Omaha basketball team is looking forward to next Tuesday night, when a contest on the Peru floor will offer an opportunity to clinch the championship.

The Cardinals took undisputed possession of first place in the N. I. A. A. by virtue of a 51 to 36 victory over Kearney at the Central High gym, February 8. The Omahans further entrenched themselves in the top spot by a 34 to 27 win over Wayne in the Wildcats' gym Saturday night.

Conference Standings

	W.	L.	Pct.	Pts.	Opp.
Omaha	6	0	1.000	240	171
Peru	4	1	.800	143	115
Kearney	3	2	.600	185	186
Wayne	2	4	.333	187	190
Chadron	0	8	.000	195	288

Peru, who has lost only to Omaha, shoved Kearney out of the running, 48 to 33. Omaha will journey to Peru Tuesday, February 20, and a victory over the Bobcats will clinch the title for the Redbirds.

By garnering 22 points for scoring honors in the Kearney game and by tying Captain Patterson for high scoring with 10 points in the Wayne game, Lowell Curtis, forward, boosted his point total to 168 for 12 games in the Cardinal basket scoring column. Marlin Wilkinson, center, holds down second place with 91 points—12 made in the Kearney and the Wayne games. Captain Lloyd Patterson, forward, is in third position with a total of 77 points, having added 22 tallies in the last two conference games.

Desires to Start Work Soon PWA

Heath Twichell, Expediter for PWA in This Region, Confers With Nebraska Board.

"It is my business to get work started, that many men now idle may have employment. Nothing will be permitted to interfere with that plan."

That was the statement of Heath Twichell of Washington, D. C., federal expeditor for PWA works in Nebraska, Iowa, South Dakota, and Minnesota, when he arrived in Omaha Tuesday morning on his way to Fremont to confer with members of the Nebraska PWA board.

The University of Omaha is awaiting action on an application for PWA funds to aid in the construction of new buildings.

N. I. A. A. Champions?

CEDRIC Hartman, coach, and Lowell Curtis, Marlin Wilkinson, and Lloyd Patterson, members of the Cardinal basketball team that is well on its way toward its second championship of the Nebraska Intercollegiate Athletic Association.

A game at Peru Tuesday night gives the Omahans a chance to win the title.

Curtis is high scorer of the team with a total of 168 in 12 games. Wilkinson is second with 91, and Patterson is third with 77.

Gala Election To Be Held Next Friday

Council Announces Date, Picks New Candidates in Addition to Those Who Filed for Gala Day Positions.

ONLY THETAS FILED

The annual Gala Day chairman and class committeemen election will be held in the Men's Faculty building Friday, February 23, the Student Council decided at a meeting in room 17 Thursday.

Only five petitions were received by the Council which was forced to nominate several candidates in order that there would be at least two names on each ballot. Those who filed petitions:

Gala Day chairman, Troy Woerner; committeemen: senior, Glenn Cunningham; junior, Dan Macken; sophomore, John Moucka; freshman, Carson Rogers. All are members of Theta Phi Delta fraternity. Ralph Marshall, Theta Phi Delta, was the only student to apply for the freshman vacancy on the Student Council.

The Council nominated the following, in addition to those who filed petitions: Gala Day chairman, Bill Wood and Paul Polman; committeemen: senior, Harold Eggen; junior, Howard Wilcox; sophomore, Don Benjamin; freshmen, Leo Quinn. Lloyd Clayton was nominated for freshmen class student council representative.

Sororities Pledge Sixteen Members

Fraternities Fail to Secure Pledges for Second Semester, According to Pan-Hel.

The four Municipal university fraternities failed to secure a single pledge for the second semester, while the five sororities signed up 16, according to the Pan-Hel acceptance list released Wednesday by Robert Johnson, '35, president of the Pan-Hellenic council.

Kappa Psi Delta pledged five. They are Barbara Seaman, Grace Redick, Myrna George, Alice Coolidge, and Virginia Barnum. Gamma Sigma Omicron pledged Virginia Wilson, Martha Hertzog, Nona Chambers and Olive Musil.

Pi Omega Pi pledged Lillian Anderson, and Virginia Jellison. Phi Delta Psi pledges are Ruth Robbins, Jean Jepsen, and Margaret Kerrigan. Sigma Chi Omicron pledges are Ruth Stearns, and Ermagrace Reilly.

Betas Sponsor Dance At Ohermot Tonight

Two hundred bids have been issued for the Beta Tau Kappa fraternity dance at the Ohermot this evening. Austin Bevins' orchestra will play.

Harold Kort, president of Beta Tau Kappa, is chairman of the dance committee. He is assisted by Joe Greenstone, Morris Fisher, and Art Welner.

Sealock Heads NRA Adjustment Board

Appointment of President W. E. Sealock as chairman of the N. R. A. State Adjustment Board was announced by telegram from Washington Thursday afternoon.

Dr. Sealock has wired his acceptance.

Part of the telegram to Dr. Sealock follows:

Washington, D. C.

President Roosevelt has drafted you as chairman of the NRA State Adjustment Board. He has requested you to volunteer your services without compensation in the important work of making effective in your state the provisions of NRA codes. As chairman of this Board you will be associated with Honorable Richard L. Metcalfe, State Director of the National Emergency Council, who will supervise the NRA compliance organization for the State of Nebraska. (Signed)

Hugh S. Johnson.

Ladies Honor Girls At Tea

Informal Affair Will Be Held at Omaha Women's Club Sunday Afternoon.

The girl students of the University will be honored by the Municipal University Women's club at an informal tea Sunday afternoon at 2:30 at the Omaha Women's club.

Other guests will be Mrs. J. E. Bednar, a university regent, and the wives of regents, who are: Mesdames William Ramsey, J. E. Davidson, Paul L. Martin, Frank T. B. Martin, Mrs. E. A. Baird, Alvin E. Johnson, and W. L. Shearer. Others invited are Mrs. Hird Stryker and Mrs. Harlean C. Fetter, and women representing donors of scholarships.

High Scoring Total Passed in Cardinals' Win Over Wesleyan

Iowa Trio Score 45 Out of 55 Against Co-Leaders of N. C. A. C. Conference.

By scoring the most points in any game thus far, the Cardinals defeated Nebraska Wesleyan, 55 to 26, last Tuesday, and served notice on Peru that they are out to win next Tuesday.

The trio from the tall corn state, Curtis, Wilkinson, and Patterson, were the whole show—scoring 45 of the 55 points. The Methodists, who are co-leaders in the N. C. A. C., had no chance after the first five minutes of play. The game at the half was 27 to 13.

Russell Trott was the high point man for the visitors, scoring 9 points, while runner-up position went to Bailey, who scored 6 points. Marlin Wilkinson took scoring honors for the Redbirds with 17 tallies. Lowell Curtis and Captain Patterson tied at second position with 14 points. Brown, Baade, Viner, and Fouts combined to score 10 points.

Faculty Gives FERA Relief To Fifty-Two

Dr. Holt Announces Decision of Faculty in Meeting Yesterday to Allow Federal Funds to 28 Girls, 24 Men.

NAMES NOT REVEALED

Fifty-two persons have been approved for entrance to Municipal university under the provisions of the federal emergency relief administration by the faculty scholarship committee, Dr. Edgar A. Holt, dean of the arts and science college, announced Thursday.

These students will be given socially-desirable work at the University for which they will be paid approximately \$20 a month by the federal government. The University, in turn, will waive some of the fees which are usually charged.

"Only four more persons will be selected by the committee," Holt said, "as the University has been allotted but 56 students for which the government will undertake to pay for work done about the University."

Twenty-eight girls and twenty-four men have been accepted by the committee which is composed of President W. E. Sealock, Dean Edgar A. Holt, Dr. W. H. Thompson, L. D. Crenshaw, C. W. Helmstadter, and Mrs. Rene Stevens.

Dr. Holt presided at the meeting yesterday morning in the absence of President W. E. Sealock, who was in Lincoln.

Tuition Winners Are All Juniors

Faculty Committee Awards Tuition Scholarships for Second Semester, 1933-34.

Three tuition scholarships for the second semester 1933-1934 have been awarded by the faculty scholarship committee subject to confirmation by the board of regents. Recipients are Clarence Slayton, Franklin Buxton, and Thomas Organ. All are juniors.

Members of the scholarship committee who made the awards are: Dr. Edgar A. Holt, dean of the arts and science college; Dr. W. H. Thompson, dean of men; Mrs. Rene Stevens, dean of women; C. W. Helmstadter, registrar; and L. D. Crenshaw, bursar.

"The Federal C. W. S. Recreation Project in Omaha" is the title of an article which Dr. T. Earl Sulinger has had published in a recent issue of The Quarterly.

Mrs. Leslie Johnson is one of the judges for an essay contest on Shakespeare, open to high school students and sponsored by the World-Herald and the Brandeis theatre.

There are 15,000 volumes in the Municipal University library. An additional 18,000 volumes are stored in a downtown building because the library is already taxed to capacity.

PAY FOR STUDENTS

THE remark, "some day students will be paid for attending college," has often rolled off the lips of educators. This prophecy, long dreamed of and seemingly far from realization, has now been made a fact in small degree by the federal government.

During the past week President Sealock and three members of the board of regents have been conferring with the state FERA commission to work out details of a plan which will permit sixty students to attend Municipal University who otherwise would not be able to do so. Tentative plans call for the University to waive certain fees. These students will be given "socially desirable work" at the University, for which the FERA will pay them about \$15 a month.

Benefits expected from this program are threefold: (1) Persons able to profit by university instruction, but barred by a lack of funds, will be able to enroll. (2) The ranks of the unemployed will be thinned. (3) Society, in time, will reap dividends from those persons who are now given an opportunity to attend college.

These persons may possess talents which, had it not been for the FERA and the University, might have been wasted.

It will be many years, no doubt, before all students will be paid for attending college, but the FERA has taken a step in that direction. We only hope that the good work now begun will not cease at the end of the recovery program. Government help for students should be made permanent here as in many European countries.

Since the Social Science staff has moved into Room 10A the telephone conversations are becoming more interesting than ever.

QUARTERLY SYSTEM

At Chicago university, where traditional ways in education have been replaced by a drastic overhauling of the curriculum, the educational revolution has been carried much farther than a similar revolt from time honored methods at Municipal University. The academic year, at Chicago, is divided into four twelve-week periods as contrasted to the two-semester division in vogue at Municipal University.

Among the reasons advanced for the quarterly system are: The student is able, if he so desires, to finish a four-year course in three years; those who fail in a subject have wasted but 12 weeks; students can drop out for a short period of time to engage in outside work and then return to the University.

At Chicago university the method of registration has been developed to the point where comparatively little time is wasted by the student. With students registering three and four times a year, little time can be wasted. It goes without saying that registration methods at Municipal University would have to be overhauled if the quarterly system were to be introduced here.

The quarterly system is not a comparatively new development in education, and it has been in use long enough to prove that its advantages outweigh its disadvantages and that it is undoubtedly superior to the old semester system.

Municipal University gave educational tradition a good, healthy kick when the new curriculum was introduced last fall. Why not continue the good work by introducing the quarterly system?

The students who did not take the Social Science exam are even more dazed by it than those who did.

YALE VS. TRUCKS

THE youngest son of John D. Rockefeller, Jr., recently quit Yale and took a job as truck driver. He said he was getting nothing out of college.

Assuming that he was sincere, he deserves a lot of credit for his spunk in walking out of that ultra-ultra finishing school. It must take a lot of courage for a boy who was born with a whole set of silverware in his mouth to do anything so obviously "not the thing" as to get a job as truck driver.

Nevertheless the whole thing is rather discouraging when we think of the ambitious youths to whom a college education would mean so much, but who cannot afford one, perhaps because the same father has lost his job as truck driver.

A little flunking now and then will happen to the best of men.

THINGS I STILL DON'T KNOW:

When are we getting those new buildings?...Who did write the Aeneid?...Did you ever see a dream walking?...Would the Purchasing Agent like to buy a duck?...What happened to all those lawnmowers that use to click so musically around our front yard?...What happened to all the Beta Tau pledges?...To what do you attribute your success?....

I know a good way for The Gateway to make money. Let's start a classified advertising section for the students and faculty members. It would go something like this:

LOST AND FOUND

LOST—Three weeks' school because of illness. Finder please return to Blank Blank and no questions asked. Liberal reward.

FOUND—One quiet place in the library. Will return upon personal request of owner. No reward expected. Finder asks that owner pay for this ad.

BUSINESS OPPORTUNITIES

WILL EXCHANGE two illness excuses for one brand new "kindly excuse from taking gym" excuse. Call KE. Something.

WILL EXCHANGE one lousey sociology student who is excellent in gym work for one lousey gym student who might know something about sociology. See Professor Blank.

A report says there are only eight million unemployed now. That's the answer to what happens to the college grads. I saw a university paper the other day that advertised in very black type: "Our Alumni Succeeded." Closer investigation showed that it was dated January 7, 1928.

That reminds us that coffee is now ok'd by all medical authorities. Which means we don't have to drink it any more. Milk is good for the teeth. But most milk-drinkers haven't any teeth.

Several Reportorial Positions
Are Still Open to Students
Interested in Writing.

Gunnar Horn, '34, was appointed editor of The Gateway for the ensuing semester by the Board of Student Publications, according to a recent announcement by Dr. V. Royce West, chairman of the board.

Howard Wilcox, '35, was appointed managing editor. He was a news editor last semester.

Contributing editors are Paul Lange, Franklin Buxton, and Duane Butler. Lange was sports editor of The Gateway last semester. Buxton was editor. Butler was editor and business manager of the 1933-34 student directory.

Harry Walsh, Rosella Prall and Paul Lange were appointed news editors.

The business staff includes Randolph Claassen, business manager, and John Moucka and Morris Fisher, assistants. Claassen was business manager of The Gateway last semester. Francis Nelson is circulation manager.

Several reportorial positions are still open to students interested in news writing.

WITH SPECKTER

(In our last issue, Martin Speckter, the Cunning-ham, with the aid of the student directory of this institution, did a little name analysis and all of Tiet-sort of thing. This week he Kahn-tunes. Knott-s to you, too.)

We have a White (Angeline) and six Browns (Bess, Dorothy, Theda, Mary, Robert and Roy). We also have one Green (Evelyn) Frisch-man (Harry).

What if some of the names in the directory would step out and teach classes at this school?

A Bishop (Alice) and an Abbott (Floyd) could head the department of comparative religions. Instructors in this department would be Benjamin (Don), Adams (Mary), Caine (Jean), and Daniel (Mildred).

The two Hoovers (Gene and Robert) and the two Willsons (Leona and Virginia) could lecture on political economy.

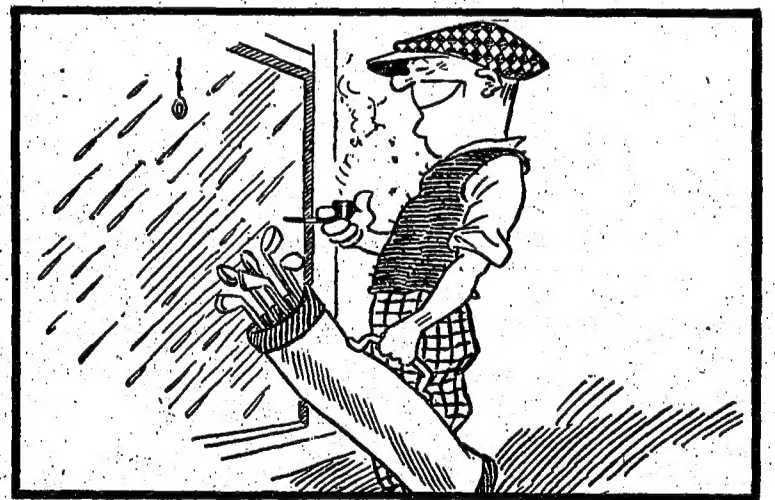

Alexander (George), Hamilton (Eleonora), and Jackson (Martha, Virginia, and Warren) could instruct on military tactics.

Speaking of warfare, we have a Gunn (Grace). If we had an R. O. T. C. unit, Majors (Betty) and Marshall (Ralph) would be drill commanders.

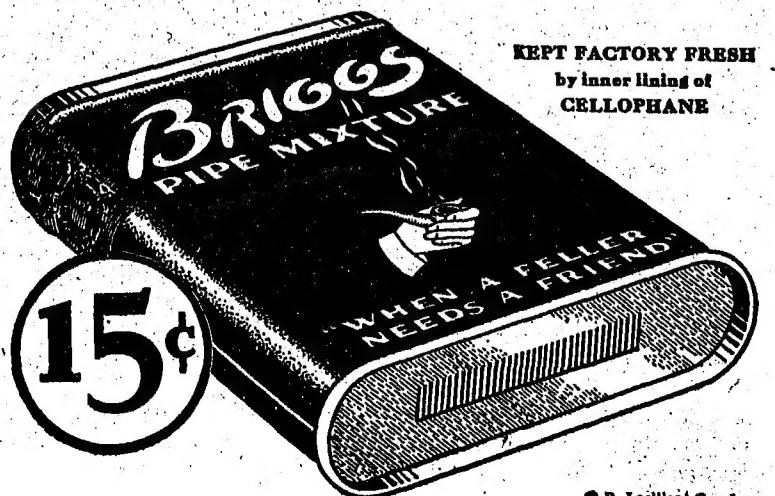

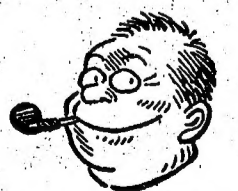

Leading the parade would be a band composed of a Cornett (Sam) and two Horns (Mrs. B. J. and Gunnar).

The Largest user OF FINE TURKISH TOBACCOS

...one reason
why Luckies taste
better, smoother

In Turkey too, only the finest tobaccos are selected for Lucky Strike—the mildest leaves, the most delicate, the most aromatic. Lucky Strike is the world's largest user of fine Turkish tobaccos. Then these tender, delicate Turkish leaves are blended with choice tobaccos from our own Southland—to make your Lucky Strike a cigarette that is fully packed—so round, so firm—free from loose ends. That's why Luckies taste better, smoother. "It's toasted"—for throat protection—for finer taste.

Users of Women's Building Must Be Housekeepers--Mrs. Stevens

"The budget does not at present provide for the services of a housekeeper for the Women's Faculty building," declared Mrs. Rene Stevens, dean of women, in an interview Tuesday.

"This being the case, it becomes the responsibility of those using the building to be their own housekeepers.

"Orderly arrangement of furniture and general tidiness can easily be maintained if each one will co-operate in using the middle rooms for lunching and placing all refuse in the waste-paper container in the wash-room, and returning any furniture to its proper place that may have been carried, for purposes of use, to other rooms.

"It is the hope of all interested to make the rooms of the women's building as attractive and home-

like as may be. Already two student organizations on the campus have co-operated in contributing to the equipment a very attractive tea service.

"The building is for the use of all the women students. Let us co-operate to make it truly useful, restful and beautiful."

Smart Girl

When they left the dance, he couldn't find the keys to the car. "Oh, that all right," she spoke up brightly. "It's warm tonight. We can ride home in the rumble seat."

Uni Chemistry Club Plans All Day Tour Followed by Banquet

An all day tour through Omaha industries is in the offing for the chemistry club, according to Gustav Herschman, publicity chairman. No date has been set, but it will probably be late in April, Herschman said.

The tour, as conceived by Miss Nell Ward, associate professor of chemistry and sponsor of the club, is to be followed by a banquet at an Omaha hotel.

Students from outstate colleges as well as Municipal University students not members of the club will be invited, Herschman said.

The next meeting of the Chemistry club will be held Friday, February 23.

The 1933 Municipal University football squad played teams from four states.

WINS STORY CONTEST

Mrs. E. H. Shelley, '28, won first prize for the best short story entered in a contest sponsored by the Omaha-Benson Woman's club recently. Her story was entitled "Life Everlasting." Mrs. Shelley took Prof. Orr's class in short story writing while attending the University.

Mrs. Leslie Johnson has been appointed to the radio committee of the National Council of Teachers of English. The objective of the committee will be to encourage the correlation of worth-while radio programs with work presented in English classes.

They Satisfy

... people know it!

Same thing with a good cigarette or a good wood-fire.

All you need is a light.

And all you want is a cigarette that keeps tasting right whether you smoke one or a dozen.

That's what people like about Chesterfields. You can count on them. They're milder—and they taste better.

In two words, they satisfy. That says it.
